

SERVICE & TEST TECHNICIAN

Job Description:

Founded in 1968, Klein Marine Systems is the world's leading supplier of side scan sonar equipment and waterside security and surveillance systems. Klein enjoys a worldwide reputation of excellence founded on high-quality products and customer service.

We are currently seeking qualified candidates to fill an open Senior Test Technician position for our Sonar and Waterside Security product lines. This position will be based out of Klein's Salem, NH office. The successful candidate will play a critical role in providing in-house and occasional field level support. In-house activities include test/troubleshoot/repair production electronics from system to component level, engineering & documentation support and customer support. Field work could include configuration, commissioning, and training involving domestic and foreign travel. Successful candidate could also perform both formal and informal training in-house as well as customer sites at times. Travel requirements are typically limited to a couple of times per year.

Qualifications:

- Bachelors' degree in electrical engineering or a related engineering discipline (Equivalent work experience will be considered)
- Three (3) plus years experience in a system level engineering/technical support position

Experience:

- Working knowledge of computers and computer networks
- Experience with Sonar/marine navigation/radar technologies & equipment preferred
- Excellent troubleshooting skills both at the system and sub system level
- Ability to troubleshoot basic faults over the phone to support customer equipment
- Solid electronics knowledge and experience with the ability to grow into a department leader
- Must possess excellent verbal and written communications skills
- Proficient with all standard electronic test equipment
- Proficient with Microsoft Office and Windows operating systems
- Network (LAN/WAN) and CCTV surveillance systems experience a plus

Klein Marine Systems is proud to be an Affirmative Action/Equal Opportunity Employer. Klein provides equal employment opportunity for all persons, in all facets of employment and maintains a drug-free workplace and performs pre-employment substance abuse testing and background checks. We encourage veterans, disabled veterans and disabled individuals to apply for any open position for which they feel they are qualified.
